Senior Class Notes

Vol 1 April 2007

### World of Computers, Here I Come!

A group of alumna embarked on a journey in the computer room of the Bishops' High School on the morning of Tuesday, April 3, 2007 with Terry Stuart at the helm. The group of 10 explored computer terms, played with buttons and sailed into the world of email. They came with varying levels of knowledge of and experience with the computer. By the end of the first morning, everyone had an email address and the newbies sent their first message off into cyberspace.

Buoyed by the enthusiasm of the future computer whizzes, Terry has arranged to continue tutelage beyond the Easter vacation period. She will continue sailing along with her crew on Tuesday afternoons from 3.30 pm to 5.00 pm, thanks to the support of the Headteacher, Ms. Elizabeth Isaacs-Walcott.

Front row: Magda Pollard, Phyllis Tait-Thompson, Thora Chester (friend), Vivienne Douglas-Daniels

Back row: Florine Dalgetty, Monica Agard-Greene, Patricia Fraser-Gordon, Carmen Peterkin-Jarvis

## **Bringing Cheer at Christmas**

The Seniors' Committee continued the tradition of lifting the spirits of seniors at Christmas time. In December 2006, the Committee distributed Christmas packages to 27 persons and sent cards to 16 persons. Those who received a bottle of wine were able to sip the blues away and sing well into the night.

The members of the Committee would like to thank the many alumni who contributed generously to this initiative, either in cash and/or in kind. We received a total of \$191,000. in contributions.
